Tavira 3-Bedroom semi-detached house with Garage and Lift in a Private Residence with Pool and Gardens

This house, located in an elevated area of Tavira close to the historic centre, offers a peaceful setting with stunning views of the countryside. It is nestled within a well-maintained private condominium, providing a large communal pool and beautifully landscaped gardens.

The property is spread across four levels, all connected by a lift. The ground floor features a welcoming living room that opens on to a private outdoor area with direct access to the communal gardens. The spacious and fully equipped kitchen enjoys abundant natural light through large glass doors, revealing spectacular views of the countryside and the Gilão River. This floor also includes a laundry room, a patio, and a guest WC.

Upstairs, the three bedrooms offer exceptional comfort. The master suite is complete with a private bathroom, a walk-in wardrobe, and lovely views of the gardens, while the other two bedrooms, fitted with built-in wardrobes, share a family bathroom and offer beautiful vistas of the countryside and river.

The rooftop terrace serves as an exceptional outdoor living space, equipped with a summer kitchen, enclosed storage, and ample room for dining and relaxation. The basement comprises a spacious entrance hall and a private garage.

Equipped with reversible air conditioning in all rooms, a wood-burning stove, and radiators along the staircase, the property ensures year-round comfort. Large glass doors provide exceptional brightness throughout, complemented by protective awnings, including on the terrace.
