Description:

The property sits on a vast garden of nearly 7,000m2, offering panoramic views and two ponds. There is plenty of space to install a pool. The three garages include two integral and one separate garage (30m2), which could be converted if not needed. Additionally, you are allowed to expand the house by 30%, adding 60m2. The gardens are beautifully planted with regional plants and trees, and terraces are located on both the ground and first floors.

The main living area is mainly on the ground floor, which includes 4 bedrooms, a bathroom, kitchen pantry, dining room, and living room. There is also access to the two integral garages, a workshop, and a boiler room. The workshop has a window, so it could easily be converted into a 6th bedroom if desired.

The first floor offers a bedroom, office, shower room, and WC, all with breathtaking panoramic views. The front of the house features a 10m2 covered terrace, accessible from the rooms, overlooking the expansive gardens.

The property is equipped with double glazing, a chimney, oil heating, and air conditioning. While the house requires some updating, it holds immense potential to become a true gem. Schedule a visit today!
