### Description:

This new development is a fantastic investment opportunity in the city centre - Beziers is one of the great recent success stories with the rehabilitation of the centre and surrounding quarters. This has fuelled an increase of more than 8% for the m2 each year since 2020. The apartment can be rented out and would be especially lucrative with the holiday rental market.

The purchase of the property would be paid in installments, and has tax advantages for those fiscally resident in France.
