#### Description:

We are proud to launch this beautiful new complex of luxury bungalows in San Fulgencio, a charming village located in the heart of the southern Costa Blanca. Thanks to its central location, shops, restaurants, and other amenities are within walking distance, and the wide sandy beaches of Guardamar are just a 10-minute drive away. The vibrant city of Torrevieja is also only 15 minutes away by car.

In this exclusive complex, you can choose between ground-floor properties with spacious terraces or top-floor homes with a balcony and a large private rooftop solarium, complete with a pergola. There are two- and three-bedroom models available, so you'll always find a layout that suits your needs.

The complex offers a beautiful communal swimming pool, surrounded by landscaped gardens – the perfect spot to relax and enjoy the Mediterranean climate.

These homes are built according to the latest construction standards, using high-quality materials and a modern finish. Large windows allow plenty of natural light to flood the living areas, enhancing the open and contemporary feel. Each property also includes a private parking space, a fully equipped kitchen and bathrooms, and pre-installation for air conditioning.
