Description:

Words fall short when describing these stunning new-build villas in Polop. Nestled in the green hills, you'll enjoy breathtaking views and a peaceful setting — all while being close to everything. The beach is just a 15-minute drive away, and within a few minutes you'll find supermarkets, a sports center, and a large shopping mall.

The location near Benidorm is another big plus: lively and vibrant all year round, with plenty of restaurants, activities, and a buzzing atmosphere in both summer and winter.

The villas themselves offer everything you could wish for in a modern, comfortable home under the sun. They feature a spacious living room with a fully equipped open-plan kitchen, three bedrooms, three bathrooms, and a separate guest toilet. The basement includes a garage and offers the possibility to create extra rooms or a hobby space. Outside, you'll find a large terrace and a beautiful infinity pool — included in the price!

What's more, many extras are already included: full interior and exterior lighting, all electrical appliances, air conditioning with heat pump, solar panels, and a stylish walk-in wardrobe in the master bedroom. These homes are perfect as a holiday retreat, but also ideal for permanent living. Comfort, style and location come together in one unique place.
