**DON'T MISS THE OPPORTUNITY TO VISIT IT**

Benidorm is the capital par excellence of the Costa Blanca, the main tourist focus of the entire Levantine coast, where we also find important towns such as Alicante, Torrevieja, Elche, Villajoyosa, Altea, or Calpe.

Benidorm is an enigmatic and unique place, known from an urban planning point of view as the Spanish Manhattan. It is an attractive city mainly because of its microclimate, thanks to its southern orientation and the protection exercised by the mountains that surround it, which offers its inhabitants mild winters and pleasant summers. Its privileged location in front of a beautiful bay of two golden sandy beaches with crystal clear and warm waters, and the wide range of services, leisure, nearby golf courses, yacht clubs, restaurants, etc... They make it a paradise city to live in comfort, tranquility and fun.
