Informação adicional:

In the middle of Seulberg, a district of Friedrichsdorf, centrally located in the traffic-calmed town centre, lies this beautifully renovated apartment. It is located in the attic of a modern house, which was built in the style of a historical half-timbered house and thus fits in with the neighborhood development. Here you can feel comfortable from day 1 on! Everything is freshly renovated and furnished with new furniture. You live quietly and yet you can reach Bad Homburg in a few minutes by S-Bahn or quickly and comfortably at the trade fair in Frankfurt. In the bright living room with its large windows is a comfortable couch with a coffee table, under the large TV, of course a flat screen, there is a lowboard. In addition, there is a showcase cabinet that matches the rest of the furniture, so that personal items can also be accommodated. In the modernly furnished kitchen you will of course find a wide range of crockery and cooking utensils, a dishwasher, an induction cooker with oven and a large fridge-freezer. If you wish, you can dine comfortably at the dining area in the kitchen. In the bedroom you will find a double bed, a wardrobe and a large chest of drawers for your clothes. In the third room you will find a cosy reading corner - the sofa can be converted into a bed. The table there can also be adapted to your needs and can be pulled out, so that you can comfortably sit with 4 people at it. The bright and friendly bathroom not only has a very large shower, but also a hidden toilet with a magnificent view. If desired, you can rent towels and bed linen. For the media contact to the world, you have the choice between a LAN cable to the free high-speed Internet or the W-Lan, which offers you a fast and undisturbed reception via access point. A laundry room with washing machine and dryer is available free of charge in the basement. You can also rent an in-house parking space. If you want to use the apartment as a holiday flat, this is also

possible. The couch in the living room can also be removed. Translated with ... (free version)
