Informação adicional:

With 30 square meters of living space, it is the smallest of our apartments and yet it has an amazing amount of space for 2 people. It is located on the 1st floor, has a bedroom, a modern daylight bathroom with gray-blue ceramic tiles, a fully equipped kitchenette with round counter and bar stools. In the living area with floor-to-ceiling windows and views of the courtyard is a comfortable sofa bed, which can accommodate an additional 2 people. The exposed original half-timbered elements in the bedroom and bathroom give this gem its special charm.
