Informação adicional:

This property for sale is situated in the high Monferrato area, in the province of Alessandria, an area known for its rolling hills and the production of marvelous wine. The villa sprawls over roughly 300 m² in total and features simple rooms designed with genuine, traditional materials such as cotto-tiled floors and quaint coffered ceilings with wooden beams. This estate is girdled by nature, as it features six hectares of grounds where it is possible to construct among many possible projects a spacious outdoor area with a swimming pool for the summer, a sunbathing area and relaxation area. This estate could be transformed into a tourist accommodation facility with a spa and several outdoor areas. rif.3770
