Chestertons is pleased to offer for sale a unique and rare opportunity to purchase a gated 600 sq m plot with two built properties within the Gibraltar Nature Reserve, Upper Rock. The 600 sq m plot consists of two separate properties, a large 4-bedroom country home and a separate two bedroom second dwelling that can accommodate one or two people. Planning permission is being processed for an extension to the main property to include a private swimming pool and more. The main home is comprised of a comfortable foyer, leading into a large kitchen with pantry & dining area and follows through to the large and homely living room with a fireplace. Original wooden beams decorate the ceilings throughout. As you continue through the property you will find a shower / bathroom, large walkthrough dressing room / hallway and 4 double bedrooms. The second property located behind, but not overlooking the main house is comprised of 2 bedrooms. As you enter you will find a comfortably sized living room with large floor to ceiling windows overlooking a private terrace and views of the Bay of Gibraltar. An open plan kitchen / dining area adjacent to the living room leads through to the first bedroom, a shower room and toilet and continues to the main bedroom. The main bedroom has spectacular views of the Bay. The second house has potential to be converted into a self-contained flat, providing a buy to let rental opportunity. The property has the use of two covered parking spaces as well as zone 2 parking permit.
