Donji grad, Petrinjska

Attractive Roh Bau office space of 132.50 m² on the ground floor of an exceptionally high-quality residential and commercial building built in 2023.

The "open space" office space consists of ground floor, street space.

The building is an interpolation that was built with great care so that every detail follows contemporary and modern architecture as well as a touch of the past, thus taking on a somewhat abstract form. It is located in a very attractive and busy location in the very heart of the city, just a few minutes' walk from the main city square.

It is possible to purchase parking spaces with the business premises.
