Informação adicional:

For sale is a **semi-completed stone house spanning 85 sq.m. within a 231 sq.m. plot, nestled in the picturesque village of Poulithra**. Conveniently positioned along the main road of the village, the property features a charming yard, while providing ample opportunity to customize both the interior and exterior according to your preferences.

The property has undergone renovations, including new electrical, plumbing, and sewerage systems, along with the costly and time-consuming project of installing a new roof, as well as both internal and external plastering, all completed by the seller. The house is offered in its current condition, with the restoration's final touches left to the discretion of the new owners. With numerous windows diffusing light throughout the entire house, you have the flexibility to create the final layout according to your needs. Additionally, the property offers potential for further construction, allowing for expansion across the entire plot.

This presents a remarkable opportunity to acquire a partially completed property, offering flexibility for customization while the property boasts easy access, open parking, and can be easily connected to electricity, water, and internet services at a minimal cost. Situated in a fantastic location within the settlement of Poulithra, just a 5-minute drive from the beautiful beaches, only 10 minutes by car from Leonidio and the famous climbing routes of Red Rock, this property promises to become a cherished retreat.

Don't miss this unique chance to own a delightful traditional stone house in the heart of Poulithra!
