A few steps from the center of the famous historic village of Lazise, stands the exclusive complex "Residence Ville Rocchetti".

Here will find the ideal dwelling for those who love independence, design, greenery, but especially those who do not want to give up centrality, and why not even some glimpses of the Lake.

The exclusive complex consists of only four villas (still two available), all independent and design, made with the best materials and the latest technologies in terms of energy saving, thermal and acoustic

insulation, as well as winking at an attractive aesthetic that does not give up the importance of greenery.

Each villa features a spacious and bright living area on the ground floor, perfect for welcoming guests or enjoying moments of relaxation. On the second floor, the sleeping area consists of three bedrooms, all spacious and well-lit, and two modern bathrooms, with a fabulous covered terrace inviting outdoor evenings. Meticulously landscaped exteriors include private gardens that offer a feeling of tranquility and an inviting infinity pool with beach-like access, ideal for cooling off during summer days.

"Residence Ville Rocchetti" is not just a home, but an exclusive retreat where every day is a unique experience of comfort and beauty. Perfect for those who want an elegant home near the beating heart of Lazise, without sacrificing peace and privacy.
