Informação adicional:

Set in its own grounds of 1995m², this charming property has been fully renovated and is ready to move into. The well-kept garden leads into a fully fitted American-style kitchen with island and separate laundry room with WC. Across the hallway, there is a dining room with wood burner and dual aspect windows, leading to a comfortable living room, again with dual aspect windows.

Upstairs, there are 4 bedrooms and 4 bathrooms over 2 floors and outside, you can relax on the terrace around the above-ground pool. The property offers possibilities for extension into the barn attached to the house.

The property has been sympathetically restored and has many original features, including the main fireplace and staircase. It is double-glazed throughout with PVC windows and is insulated. Heating is by woodburning stoves and gas central heating. The sanitation system is compliant.

With no neighbours and not overlooked, the property is located on the edge of a quiet village but just 10 minutes from the lovely market town of Trie-sur-Baise.
