This city has received the seal of the best quality of life at a national level, cultivating the art of welcoming anyone from anywhere in the world.

With a population of 100,000 inhabitants, the city is a regional economic hub with a strong wine industry (demarcated wine region of Dão), thermal cultural tourism and services. Surrounded by several rivers and mountains, its location focuses on the national map where cultural heritage and gastronomy are some of the main qualities.
