Informação adicional:

The 4 luxury villas with 4 bedrooms in Vilamoura that make up the private condominium represent the pinnacle of sophistication and comfort.

With construction expected to be completed by the end of 2024, each residence promises high-quality finishes and contemporary design.

The basement offers a multipurpose space ideal for entertaining. You can turn it into a games room, gym, home cinema, a large office or another purpose that you can later negotiate with the construction company.

The ground floor is dedicated to an elegant social life, with an open space living room and kitchen, which opens onto an outdoor terrace with covered leisure area, barbecue and private pool. An en-suite bedroom and guest bathroom complement this level, along with a two-car garage.

On the first floor, three en-suite bedrooms guarantee privacy and comfort, with the master bedroom benefiting from a spacious walk-in closet and all bedrooms having access to a balcony with views over the pool, garden and countryside. There is also a living room on this floor.

Additional features:
