Informação adicional:

This beautifully renovated property dates back to the Venetian Era.

Located in the quiet hillside village of Maroulas in Rethymno it has been declared a landmark monument by the Ministry of Culture.

Maroulas is an exceptionally picturesque village 150m above sea level, surrounded by stunning views of the sea, with a warm, welcoming atmosphere.

At the heart of this traditional village, a small taverna serving excellent, Cretan food. An integral part of local life here, somewhere friends gather to while away an hour or two, with an ouzo in hand and some lively conversation.

The property has been sensitively upgraded and modernised, whilst retaining its innate delicate grandeur.

Original features have been brought back to life. Wooden floors and ceilings, stone walls, gorgeous open fireplaces, this property is beautifully furnished and surprisingly spacious.

Here tradition is combined with every modern convenience. Sold furnished, with a fully fitted kitchen, this mansion has three romantic bedrooms with luxury en-suite bathrooms.

A lift makes for easy access to the three separate levels.

A rooftop sun terrace, somewhere to relax in the hot tub enjoying views of the sea and by night the lights of Rethymnon city which is a short drive away.
