#### Informação adicional:

This very special estate is in Phang Nga Province overlooking the hills of Phuket across the channel. The main house is well set back from the road, overlooks the bay, and commands a grand view of the Yacht Haven Marina, which is about two kilometers across the water. The property extends down to the water's edge with a boat ramp, a fish cleaning sala, and a guest house on the waterfront.

The land is high and gently sloping to a level area at the sea and comprises about 5 rai in total. It also features a fish pond set in a tranquil, jungle-like setting. The property is adjacent to a national mangrove forest, that provides kilometers of kayaking opportunities.

The main house includes three bedrooms and four baths. There is 180 degree view terraces, a pool, sauna, exercise room and poolside sala. There are two attached carports with parking for 4 cars and a workshop.

The guest house has one bedroom and bath and features a porch over the water in the mangrove trees. It's truly unique and is a perfect place for visiting friends and family to stay. There is a separate gated entrance to the property with another concrete driveway and parking at the guest house.

This estate is truly a beautiful place with abundant wildlife, a natural, clean atmosphere with lots of elbow room, unlike most Phuket ocean estates. Here you have space and endless views of the ocean and the

jungle, yet it's close to shopping and services at Khok Kloi, and just an easy 25 minute drive to the Phuket airport. This region of Greater Phuket is a pristine tropical paradise free of the crowding, noise and traffic.
