Informação adicional:

This plot of 71,641 m² is located on La Copa de Bellas, the cycling paradise of Spain, 60 km from Murcia City. It is currently agricultural land, but an application was previously submitted for a permit as building land. Electricity is already provided on the plot. It is a very large beautiful plot located next to a nature reserve and with views over the fields with almond and lime trees. On the plots next to this land there are also fincas and a farm. The permit should therefore normally not be a problem, but the application must be resubmitted.

Next to the land there is a large nature reserve. It is located 3.8 km from the village of Bullas where you can find all the necessary facilities such as restaurants, bodega, the Museo del vino and the beautiful nature reserve Salto Del Usero.
