Spectacular Chao Phraya River View Unique Location Combines Modern and Natural scenery.

### 6 Unique Features

The first Bangkok riverside project of the Noble NUE Series. Located on the bank of Chao Phraya River in Ratburana, each unit offers a stunning view of the riverside. The unique location combines modern and natural scenery, with the view of Sathorn, the 1st-generation CBD of Bangkok, in the west and Bang Krachao, the Green Lung of Bangkok, in the east.

The mountain-scape design maximizes the river view for each unit. Built along Chao Phraya River, this project is embraced by mountain and river scenery.

Located conveniently adjacent to the Rama IX Bridge which connects Rama 3 on the east coast of Bangkok, it is only a 20-minute drive from Sathorn - Silom, the 1st-generation CBD in Bangkok. BTS Purple Line (Тапоона€Rat- burana) will be developed in the future.

A neighbourhood that satisfies all daily needs. The headquarters of the Kasikornbank and the Central

Plaza Rama 3 are nearby, and complete medical services are accessible.

A modern resort-style clubhouse with 28 leisure and green facilities features four themes, including sky, river, valley, and forest. A living environment where you can feel the nature, having an unparalleled experience with 4,600 sq.m. of green area and an infinity pool on the riverside.
