Описание:

Building land south Royan Meschers, approximately seven hundred and thirty-eight square meters, reasonable price for the 'Charentaise' coast, servicing at the edge of the land. This land is located in Meschers, not far from the beaches of the Royan coast. A beautiful space of seven hundred and thirty-eight m² which will be suitable for building a second home as well as for a house inhabited all year round, by first-time buyers or retirees. Meschers is a small, friendly village, with its five beaches which has all the shops and Royan is ten minutes away. This will be suitable for a land + new house project at a price within current standards, which will take you away from the worries of purchasing a house already built with numerous works and often at a much higher price. Think about it !
