#### Описание:

Mariatomasa presents this farmhouse for sale very large to reform.

The façade, the pillars and the roof are in perfect condition, roof and new interior pillars as can be seen in the photos and is sold with a large plot of land and there is the possibility of expanding the land. The hamlet

is located in a privileged place, since the Camino de Santiago passes through there, this gives the opportunity to allocate the hamlet to a hotel, rural house, a hostel for pilgrims.

If what you are looking for instead is to live surrounded by nature and tranquility this is your opportunity.

If you are interested do not hesitate to contact us and we will inform you delighted.
