Spacious house in Barcs, a small town in southwest Hungary.

House is 130 m² in size, has a staircase to the first floor where there are expansion possibilities. The house now offers the living room, kitchen, 3 bedrooms and the bathroom.

House is in good condition, but needs to be modernized. Roof was renewed in 2012.

The plot is 1,579 m² and in the garden several outbuildings, garage and cellar.

Electricity (also 380V), water and gas (in the garden) are available.

For drainage there is a connection to the sewerage system. The house is heated with a stove and gas convectors. Connecting the internet and telephone is no problem.
