#### Описание:

Small project of semi-detached houses with 3 bedrooms , 2 bathrooms, nice living room and open kitchen and spacious terrace with private pool as well as a nice solarium overlooking a park. These properties are being built in Dolores de Pacheco, a typical Spanish town near Los Alcazares. Here you can find peace and quiet but still be a very short distance from the lively Los Alcazares, with its beautiful beaches and long promenade for walking or cycling. Very nice homes for a very interesting price. Already many extras also included in the price, such as all electric appliances, lighting as well as a summer kitchen on the solarium are already provided and included in the price,.
