Carousel Homes are pleased to offer this massive finca located in the campo of Orihuela within walking distance of the town of Bigastro. On a plot of 2557m². The build is 844m² which incorporates the underbuild and garage which has the same dimensions as the main floor of the house.

Set all on one level, this finca comprises a large and very modern kitchen / dining area, a huge living room, an entrance hallway which impress the life out of you, a very large bathroom with standalone bathtub and separate shower, four large bedrooms of which the master has a spacious en suite.

Exquisitely decorated, this house just feels luxurious and the peace and quiet of the surrounding campo is energizing. The large swimming pool has its own bar area and pizza oven as well as changing room and when one takes in the mountain views from the rear of the house and pool area: there are fewer nicer places to be in the whole of the Vega Baja. Extras include fully piped for central heating (not installed) and its own drinking water storage system which contains about 27,000 litres.

This is a place which will capture your imagination and it has to be experienced first hand to be appreciated. If it's within your budget, you owe it to yourself to see it.
