Описание:

Beautiful new build villas to be built in Ciudad Quesada. Close to the commercial centre with plenty of restaurants, bars and shops. Also several supermarkets within walking distance of the properties. The properties will be built on spacious plots and are of excellent quality. Very nice location close to everything! All villas have 3 bedrooms as standard, one of which is en-suite with a dressing room, 2 spacious bathrooms, a storage room, a spacious living room with open kitchen and lots of light in the houses due to the large sliding windows. Large terrace overlooking your private pool and in addition, each property also has its own roof terrace. These villas are very well finished and there is still the possibility to choose many materials yourself such as flooring, colour of kitchen and bathroom etc. The roof terrace is also very nicely finished with large glass walls so you can enjoy beautiful views and also get a nice spacious feeling.
