Описание:

Apartment for sale in Artazagane, an expanding, residential area, very quiet and surrounded by green areas while well connected by public transport and close to schools, making it ideal for families with children.

It is an apartment with a lift at ground level (recently modified, stops on all floors), totally exterior, with unobstructed views of the area.

It has a beautiful layout, with not too much corridor and large openings.

We enter the house through an entrance hall, with a large wardrobe, where the kitchen is located, next to it is the living-dining room with large window overlooking the garden area, it has two bathrooms one with shower, the other with bathtub.

The price includes parking space of about 30m, with capacity for two cars in a line (one small and one medium) in a closed garage, located in the same building; In this space there is also the possibility of storage (storage room).

The building is in good condition, elevator recently modified, portal made, staircase freshly painted, façade and roof well; it has no pending spills.
