Описание:

Unique opportunity for a discerning client, this rare unspoilt historic stone Longère dating from XVII century 200 m² set in a privileged location nestling amongst magnificent south facing landscaped gardens 2675 m². With natural water features via a small brook, exotic plants and trees with breath-taking views over the surrounding countryside.

Full of ambience the Longère has retained much of its original charm. Dominated by a vast living area with feature open fire place, wood beams, revealed stone, and has been restored and furnished with taste over a number of years by the current owners.

In addition, future buyers can retain the period furnishings and décor which can be purchased separately if desired.

Attached to the Longère are two large stone barns 80 m² and 60 m² which could be transformed into extra accommodation if required with the necessary permission.

In the grounds a further rustic stone barn 30 m² and 10 m² with bread oven perfect for entertaining al fresco and a workshop and wine cave.

The lakes of the Haute Charente with shops and gourmet restaurants are a short bike ride away. One can reach the TVG in Angoulême a mere 45 min drive.
