Although this townhouse is situated inland, you receive sea and mountain views from the 3 balconies this property has to offer. From the moment you observe the pristine wooden staircase and clean-cut nature of the decoration you will realise this house has much to offer potential buyers.

This fully furnished and air-conditioned townhouse boasts 3 bedrooms with built-in wardrobes and ensuite bathrooms. The western kitchen is kitted out with numerous wooden cupboards and draws alongside onyx covered worktops within a spacious area that provides ample room for your cooking needs and exploits. The spacious outlay of the house ensures you have lots of storage space at your disposal.

All the rooms are painted white and this compliments the wooden fixtures and fittings to create a classy finish which impresses from the offset. The dining and living room quarters continue the spacious nature this semi-detached townhouse delivers. The three balconies offer majestic views over Patong beach and the mountainous surroundings create a peaceful haven despite its location within Phuket's busiest tourist area.

The ideal location in Patong offers the best of both worlds with the beach only a five minute drive away. The newly built Jungceylon shopping mall is also a five minute drive away and is a place you can purchase your weekly shopping. Loch Palm and Phuket Country Club golf courses are only 15 minutes over the hill in Kathu.
