Описание:

In Capalbio, a municipality in the province of Grosseto and more precisely in the Borgo Carige area, there are still 6 apartments for sale in a residential complex with a total of 17 residential units: these are 3-room apartments of various sizes with private gardens on the first floor or with large terraces on the first floor. In addition, all apartments have a large cellar and at least one spacious outdoor parking space. The residential complex is located about 4 kilometers from the seafront, was completed in 2015 and all units are completely independent and the maintenance costs of the complex are very low.
