Описание:

The Whale House is a two story home with two separate living spaces. The downstairs is a 2 bed/2 bath and the upstairs is a 2 bed/1 bath. Each have their own kitchen, living room and porch space.

The property's eco-friendly design includes lots of windows to not only capture the beautiful woody view but also to maximize the cross breeze ventilation. Both the upstairs and downstairs have a cheerful feel with traditional tile work and other designer touches. The Whale House sits in a great location as you are just a short walk or bike ride to the beach as well as all of the great Hacienda Iguana amenities.
