Описание:

Detached 3 bedroom villa with garden, swimming pool, sea view, private parking for 6 cars, photovoltaic energy production panels, solar panels for heating sanitary water.

The typical Algarve villa is the perfect combination of elegance and comfort, with a private pool and stunning views of the sea and countryside. It is in a lovely, private and quiet place to relax, 2 kms from Tunis, 14Kms from Albufeira, 16Kms from Vilamoura and 41 km from Faro Airport. Located between Tunis and Paderne, this charming 3 bedroom, 3 bathroom villa complete with shower. With a total area of 118.4 square meters, this property offers a bright living room, a fully equipped kitchen, the bedrooms, all with built-in wardrobes, provide a peaceful retreat after a long day enjoying the pool or the well-kept garden.

The villa has 3 bedrooms, 2 of which have private bathrooms, living room, dining room and kitchen, private parking on site. It also has a fantastic porch where you can contemplate the garden, swimming pool and sea view on the horizon. The villa has 2 covered parking spaces and a large area for uncovered parking within the property. The villa has air conditioning in several rooms and has an insulation solution from the outside with capoto making the house spectacularly efficient with an A+ energy rating,

maximum efficiency rating. There is water from the public network, there is no public sewer. Outside the villa has barbecue and wood oven.

The modern amenities of this villa include air conditioning, a solar system, a wood-burning stove and an equipped kitchen. Stunning sea, mountain and countryside views can be enjoyed from the privacy of the porch.

Located in a quiet and secluded area, this property offers easy access to restaurants, school and the city, making it an ideal choice for those looking for the perfect balance between rural living and urban amenities.

With an A+ energy certification and south solar orientation, this property is also environmentally friendly, with a solar heating system and solar panels to produce electricity. Don't miss out on this unique opportunity to own a quality villa in this Algarve paradise. Book your visit now.
