Описание:

Beautiful house with lots of character in a lovely, hilly village between Champagne-Mouton and Cellesrouin. All you have to do is put your suitcases down and decorate to your taste if you wish. The location is ideal for enjoying the warm Charente days in summer: swimming pool, shaded terrace and well maintained garden. And of course, the river Sonnette, which flows through the village and makes for great walks around the village. The property comes with a super stone barn just crying out to be converted.
