Описание:

This is a lovely garden house in the suburbs surrounded by beautiful mountains and nature. A true green zone living space. The home has three bedrooms, all with ensuite bathrooms, a fourth guest bathroom and a maids room. The living space is a generous 450 sqm, while the land size is 5,668 sqm of tropical living and a fruit plantation.

All rooms are spacious with big open windows and ceiling fans to enjoy the breezes. The home is also air conditioned. There is a large living room, dining area and Thai-style kitchen. The kitchen is situated on a corner and has windows on two sides for natural sunlight. It also has an island-style work station.

Outside is a big terrace with a 48 sqm private swimming pool. Perfect place to enjoy the natural mountain beauty.

This is a sparsely populated area and not bothered by city noise or loud neighbors, but it is not too far from community facility areas.

Enjoy the fresh air and vitality of living here. Contact us for additional details.
