### Agios

Konstantinos - Volos: A two-storey house with a total area of 222 sq.m. is available for sale exclusively, built on a corner plot of 241.68 sq.m. , in the most beautiful and privileged district of the city. The residence (energy class E), with southeast orientation and mansion style, airy, bright, renovated in 2021, kept in excellent condition and arranged on two levels that communicate with each other with an internal staircase a) On the first level we have a large hall, living room with fireplace, dining room, kitchen with food storage, bathroom and an area that can be used as a second living room or bedroom b) On the second level we find four bedrooms, two bathrooms and covered terraces. Outside the house there is an organized yard and garden with configurations, trees, plants and flowers of all kinds, a space suitable for beautiful moments of relaxation and tranquility, as well as a warehouse (15 sq.m. auxiliary spaces) in a small basement. The excellent design of the residence and the unique location - 10 minutes from the center of Volos but in a quiet residential neighborhood - are great incentives for buying this particular property. Close to park, beach, public transport, super market, schools. Additional Property Features: Airy, facade, corner, Air conditioners(2), Heating with natural gas - boiler, aluminum frames - screens, wood floors - tile and laminate, Three-phase current (electrical panels on each floor), , Pets are allowed.
