#### Описание:

We love this house, on the longest street in Olvera towards the bottom of the street, with parking in the street or in streets below.

Up from the street there is a sunny patio to the front of the property with seats outside the front door. The house was completely rebuilt making the best of the space, with the spiral staircase the focal point of the home.

Downstairs you have a lounge with wood burning stove, a seating and cosy TV area, there is also enough space to pull out the table which seats 4!

Through to the fully fitted kitchen, with everything you need! It even has a built in microwave and oven. Further on to the perfectly fitted shower room, with light blocks from the terrace above.

up the stairs to the master bedroom beautiful finished with lots of storage and Juliet balcony window to the front, the stairs continue up to the terrace.

there is also a single bedroom on the first floor with little terrace off, The upper terrace is a gorgeous little sun spot with lovely views.
