#### Описание:

This impressive town residence for sale, Superb Andalusian Style, is just short distance from the main high street and it is a rare find at this price.

You enter the house through magnificent antique doors, which lead onto two beautiful lush internal patio's giving the whole ground floor light and the feeling of being in a country garden. On this floor there are two lounging rooms, a separate office at the front, a large modern kitchen and cloakroom toilet as well as a family bathroom.

There are three large stables to the back with access to a roof terrace on top - with the famous Olvera Castle and Church views.

Upstairs on the next floor you have four bedrooms, all modernised but retaining original features one overlooking the lush patio with the aroma of jasmine floating into the room. Then there is a further floor with four more rooms that have some lovely rustic beams.

Superb Andalusian Style house is lovingly looked after but will need some work doing to bring it to its full glory .
