Açıklama:

This property offers plenty of outdoor space to do many things in a rapidly developing community. Its location along the George Price Highway connecting Belize City to Belmopan makes it perfect for any business. St Matthews is located between Cotton Tree and Franks Eddy, two rapidly developing villages with one already serving as a hub for tourism. St Matthews has a primary school, churches, stores, electricity, municipal water system and both telecommunication companies service the area. Regular bus runs or a fifteen minutes road trip takes you to Belmopan where government and other services are available.

It could also be the perfect home for a family or retiree. The backyard can help to reduce the grocery bill.
