Description	

This wonderful Beachfront Lot La Boca - Cabarete is located on the north coast of the Dominican Republic.

The beachfront lot La Boca of 1.740 square meters opens across the primary dune with direct line-of-sight views of the breaking waves and the open sea beyond.

Lying within a compact residential enclave of Europeans and North Americans, the property is invigoratingly open to the cooling tradewinds. Mature coconut palms and almond trees shade the house site, and from the terrace of your future beach house, you will see the passing ships and migrating humpback whales.

This is the ideal location for nature lovers who wish to be away from the crowds. The property is close enough to the famous surf town Cabarete to go shopping or dining and the international airport of Puerto Plata.
