Living in a spacious apartment in the center of Denia and also having a nice terrace is a real luxury! This apartment of approximately 153 m2 built is located on a fourth floor with elevator, a few steps from Marqués de Campo and next to all kinds of services. The building is of very good quality of construction and has an entrance adapted for people with reduced mobility. The house has 4 bedrooms and two bathrooms (one en-suite with shower and one with bathtub), hallway, large living room with access to a south facing terrace and views of the Montgó, kitchen with a living room and laundry. On the roof of the building there is a storage room. The Yacht Club is just a 10-minute walk away and the underground car park on Calle La Via is practically next door. This apartment is a very good investment and you will not be disappointed. Call us for a real or virtual tour!
