Açıklama:

You enter this well-designed old apartment via the hallway/vestibule, from which you can access almost every room centrally. To the right is the bathroom and a separate WC. Another room is used as a utility room and guest room (sofa bed). The washing machine and dryer are housed in the large wall cupboard. The path on the left leads to the spacious bedroom with a balcony. This balcony offers space for peace and fresh air, ideal for relaxing moments outdoors. Adjacent to the bedroom is a walk-in closet. This leads into the spacious living room. Next to it is the eat-in kitchen, which is equipped with a modern fitted kitchen. A baby crib, changing table and baby chair are also available.
