Charming and panoramic stone built country house, with mesmerizing views over the valley and the surrounding Umbrian countryside.

Charming and panoramic stone built country house, with mesmerizing views over the valley and the surrounding Umbrian countryside.

The property has been renovated, also following anti-seismic regulations, and it is ready to be moved into. It maintains the original elements and characteristics.

On two floors , it features a hallway, living room with fireplace, family kitchen, study room, bathroom and a 40 sq m covered porch, ideal for al fresco dining.

On the first floor, with access through internal staircase, there are two double bedrooms and two bathrooms.

The house also includes a basement with storage room and utility room.

The property is surrounded by 7,000 sq m of land, partly steep and partly levelled, with several plants and olive trees.

The property is near the hamlet of Viepri, where there are no services with the exception of a nearby restaurant, while the closer town with bank, post office, shops and a supermarket is just 10 minutes' drive
