Açıklama:

This resort for sale in Perugia, Umbria, a convent of the Capuchin friars in the 17th century, was transformed into a luxury property made of frescoed rooms, period furnishings and Italian gardens. The first floor includes fifteen bedrooms obtained from what were once the cells of the monks. The period furnishings are expertly matched with fine pieces of Umbrian craftsmanship. The ground floor houses large lounges, a restaurant hall with a porch and a bar area. In the internal courtyard there is a new area dedicated to relaxation and well-being with a fitness and massage area, herbal tea room, Turkish bath and heated jacuzzi. Offices and technical rooms occupy the remaining part of the floor. The total internal surface of the property is approximately 1,500 sq m, while the secular park that surrounds it measures 2,5 hectares.
