Açıklama:

In the village Ugljan, part Čeprijska, for sale is a building plot of approx. 2000 m2 (it is possible to buy the whole plot or part of the plot with an area of 1000 m2 or more).

It is located at a distance of only 150 meters from the sea and beautifully decorated beaches. It has a regular square shape, which leaves the future owner a numerous possibilities for planning and designing the building.

The land is decorated with olive trees and other Mediterranean vegetation, and is located in a quiet location, surrounded by family houses. Access is provided via a local road and the center of the village Ugljan, where there are restaurants, cafes, night bar, post office, butcher, hairdresser, doctor, etc., is about 500 m away.

All available infrastructure (electricity, water, sewage, telephone) are located in the immediate vicinity of this land.
