In a beautiful place Kali, in a part where are settled lovely family houses and villas there is a building plot of 772 m2. Since a slight inclination according to the sea it has a great view of the sea. It is placed in a nice not so crowded area and the distance to the sea is cca 150 m. The plot has very good position. The land has a very good position due to the slope so the building built here will always have an open sea view. The distance from the sea is cca 130 m and to the center of place Kali is cca 500 m. Infrastructure (water , electricity) in the immediate vicinity.
