Açıklama:

Super cosy perfectly formed cottage , with no work needing doing t would make an ideal holiday bolt hole and a Casa rural for tourism letting too.

Located on a pretty street mid way between the higher and lower part of the historic centre of Olvera .

The facade is beautifully painted with mouldings around windows picked out in a highlight colour and tiling n the lower section. Traditional wrought iron window bars with nice detailing all adding to good curb appeal.

Entering you have a living room , with a convenient kitchen located off to the left , both these spaces have generous windows meaning it is filled with natural light.

Upstairs there is a main double bedroom once again with a good sized window , room for a large wardrobe double bed and a desk. The second room is a box room which has been used as nursery from this room there are a few steps leading to a glassed in and covered patio type area from which you have some nice views , off this space is a fully tiled bathroom with bathtub , vanity and loo , all immaculately tiled inn green and white .

This cottage is being sold because the young family have out grown it , its walk in ready and waiting for

the next owners .
