Marina City Park is the newest project in charming Saranda. It is a unique investment in Albania. On an area of almost 20 000 m2 8 Venetian stlye residential buildings are being built creating a unique space for the residents and guests of Saranda. The Marina complex will be developed with greenery as well as infrastructure which will include luxury shops and the first cinema in Saranda. Due to the stone architecture and unique location 5 minutes walk from one of the most popular beaches Zero Zero Beach and a 2 minute walk from the planned modern yacht harbor the Marina Complex will become the new center of Saranda and another tourist attraction. It will also have 250 parking spaces available. The Marina Complex is the only such investment in Saranda. We invite you to familiarize yourself with our offer on our website at destinationalbania.eu

The investment was started in May 2022 and will be completed in late 2025.
