PIAR TROPICAL LIVING THE PARADISE YOU WERE LOOKING FOR live tranquility and natural harmony with the best commercial educational and entertainment services in one of the safest cities in the country just a few moments away. Enjoy living in a community full of energy that is reflected in a large green corridor through the entire development. It is time to start discovering the set of cultural culinary and adventure experiences that only Yucatan can offer. Discover the place that will immediately connect with your needs thanks to its strategic location to the north of the white city being the midpoint between the Yucatecan coast and the city of Merida with a direct exit to the highway in Tamanch . Piar is a premium project that has 226 residential lots planned for families who want to find the essence of a community in the perfect place immersed in vegetation where they will begin to build a lifestyle wrapped in serenity and a tropical environment. This development has 24 7 security underground wiring and cobblestone streets which complement the functionality of this unique residential area. Find out details that increase the value of your investment since Piar has an author's urbanism in charge of the renowned architect Seijo Pen who together with our developer EME DOS seeks to adapt well being to each of the spaces in the environment made up of 226 lots of up to 558.93 m2 in which exuberant nature and security will merge to be part of new moments. Viewpoint The viewpoint where residents can uniquely observe each of the sunsets and the community. "El Cenote" Pool A body of water with a 25 meter swimming channel surrounded by vegetation that at the same time is complemented by a space with lounge chairs to feel and enjoy the sun. Live Piar together with urban experiences surrounded by warmth in life settings. "La Cueva" Bar This space will be the favorite of adults since they will be able to enjoy a cocktail in a fun atmosphere with good company. Business spot A place for new ideas that adapts to the work activities of each resident. Events room That place to celebrate important dates whose main differentiator is being surrounded by artistic works that give a different touch to its setting. EL HUERTO The spot that encompasses the tropical life of Piar here you can live the experience of having your own garden and at
