These are 2 unique plots of land for sale located in the area of Tersanas, in Akrotiri, in Chania on the island of Crete. The 1st one is seafront and has got the size of 4.123,71m² offering the building capacity of 186sqms plus basement. The adjacent one is 4088m² and offers exactly the same density of 186m². Due to their position and their height difference, they both offer panoramic open views to the sea that can never be lost. These plots are ideal for the construction a 2 luxury villas that can be used as permanent residences or rental villas with a very high return.

Genel Bilgiler

Bitmiş metrekare:	4123 m ²
Arazi Büyüklüğü:	4088 m ²
