walls of cyclopean stone and classic masonry. Natural stone. Like three thousand years ago.

And each platform brings its beauty. The highest with the water, the pools, the viewpoint and the social meeting areas. And the look at the sea, from above, on its right scale.

The following terraces bring vegetation and paths to walk them. For meditation, for a walk and to talk with Nature. To be and to watch.

Benidorm and its beaches are just 3 km away, with all the leisure offer you could wish for.

Luxury finishes, spacious rooms and terraces, spacious common areas and views of the sea and the Benidorm skyline will make this complex one of the references in the area.
